Chapter 1 by xXXWhenPigsFlyXXx

I'm silently creeping towards the front door something is banging on the front door I go to open it. I swing the door towards me two weird looking stick figures shout out

"The science show!"

I'm confused why would someone go to a neighbor's house in the middle of the night to say 'the science show' suddenly the ground cracks I fall down. I awake in a mysterious land the trees look weird the grass feels weird and I can see water that's not moving the grass feels squishy like jelly I take a nibble out of the grass it is jelly! It's like this land is made out of it but I see an juicy apple tree in the distance but they're not apples there candy apple's! Sweet, juicy, delicious I realize i'm not in a jelly land i'm in candy land.

I spot some sort of gingerbread town in the distance as I slowly run towards it a freaky creature jumps at me like it came out of the blue it bit onto my arm and then ran towards some candy cane trees. I look at my slugy human arm it's beginning to turn into candy I turn around and think to myself that the town in the distance might have a cure. So he ran towards the gingerbread town. When he got there all the ginger bread men got a fright they have never seen something like a mutated SLUG PERSON!

"I just wanted to know if you had a cure for weird strange candy arm"

The Elder Nut of the gingerbread town said "I'll give you a cure for your weird arm if you lick the nutty nutella of nutty nuts (It was chocolate nutella)"

you'll explode But then you will resemble and be completely fine. But he quietly mumbled just kidding

"Oh I'm munching my way through the river o'jelly I'm munching my way through the river o'jelly I'm munching way it looks like I'm heading into a rock candy mine. I'm eating my way through some disgusting peppermints! And now I just got a phone call by a nice man called Paul, he says I should haul a ball so that's what I did and then there it is the life saving nutella i take a big bite i feel weird my head explodes and I don't know

how i'm still singing this song maybe because of donkey Kong and the stupid gingerbread elder who tricked me to blow up my head and know i am dead. and im in the underworld. The land of the the dead
